**High Swartz Attorney Joins Board of Directors of
Water Resources Association of the Delaware River Basin**

July 11, 2011, Norristown, PA — Alan W. Flenner, J.D., P.E., a municipal, land use and environmental law attorney with High Swartz LLP in Norristown has joined the Board of Directors of the Water Resources Association of the Delaware River Basin and has been appointed by the Board to serve on the Association's Executive Committee.

The Water Resources Association of the Delaware River Basin is a non-partisan advocacy and public information organization devoted to the promotion of sound water resources management within the Delaware River Basin.

Mr. Flenner concentrates his practice at High Swartz on matters associated with the built and natural environments including environmental, land use, and municipal law. He provides counsel on municipal environmental issues including stormwater management, water and sewer facilities planning, sustainable development, and regulation of alternative energy. He is the current Vice-Chair of the Environmental Law Committee of the Montgomery Bar Association and serves as the Secretary/Treasurer of the Pennsylvania Bar Association Municipal Law Section.

High Swartz LLP is a general practice law firm serving clients in the Delaware Valley and throughout Pennsylvania. For more information, please visit www.highswartz.com.
